Dear Parents and Guardians,

I am writing to invite you to join us as we celebrate Peekskill City Schools Month. This celebration of our educational and extracurricular programs will provide you with the opportunity to visit our schools and see for yourself, firsthand, the extraordinary programs we provide our students.

This month long event will begin with a District Open House on Monday, February 9, 2015 from 7:00 p.m. to 9:00 p.m. in the Central Office Auditorium, located at 1031 Elm Street. At this Open House, District administrators and Board members will provide you with an overview of our District programs. The community is invited and we ask that you let us know if you will be attending by calling Ms. Alma Zucco at 914-737-3300 ext. 303 or email [azucco@peekskillcsd.org](mailto:azucco@peekskillcsd.org).

Starting on Wednesday, February 11 and each successive Wednesday in February (except Wednesday, February 18) until Wednesday, March 4, each of our schools will be open to all parents and guardians of school age children and citizens residing in Peekskill. We are calling our Wednesday Open Houses "Walk-Through Wednesdays." Current and potential future parents /guardians of our school system may visit each of our school buildings over the four open house dates. The agenda for each school's open house will include a welcome by the building's principal and a member of Central Office, a tour of the school, and a question and answer session with building faculty and administrators. Before you leave the event, we will ask you for some feedback regarding your visit.

To participate is easy and all you have to do is contact the school principal by email or phone no later than 4:00 p.m. on the Monday before your Wednesday visit as listed in the chart below:
