2015-2016

A Message From the Superintendent

Dear Peekskill Community,

It is my honor and pleasure to write this letter to you as the Superintendent of Peekskill Schools. It is exciting to think about all of the enriching opportunities that the 2015-2016 school year holds for our school community. At the Peekskill City School District, we are committed to providing a quality education for all of our students and we believe that communication between the home, our schools and the Peekskill community is paramount. I urge you to take advantage of all of the valuable

resources our District has to offer. Please remember you can find this school calendar on our District website for access at any time. In addition, there you will also find upcoming events, staff contact information, sports schedules, academic opportunities, District news and regularly updated student grades. You can also follow us on any of our social networks (Facebook, Twitter and Instagram) for continued highlights, news and photos.

We begin the school year by focusing on our theme for 2015-2016: A System Focused on Every Student; Every Day. Throughout last school year our teachers were involved in nationally and internationally recognized professional development which focused on literacy, best instructional approaches, and student engagement. Our teachers will continue to design their "lighthouse" classrooms as a model of best practice for all to learn and grow from. Our administrators are positioned to lead, facilitate, support and provide enriching, safe and motivating environments for both our students and staff. Our grade levels and departments have worked diligently on aligning their curriculum so we as a District may remain rigorous with respect to state standards and consistency between and within grades.

In closing, I encourage all residents to attend our bi-monthly Board of Education meetings. Every board meeting will include a "Top Ten" list of reasons as to why Peekskill is a great place to live and learn. Feel free to share your thoughts or submit your own "Top Ten" list to be featured. Again, please remember to regularly visit our District and school websites for frequent updates. If you have any questions, comments, or suggestions feel free to contact me anytime at dfine@peekskillcsd.org or (914) 737-3300 ext. 303.

Sincerely,

Dr. David Fine

Mission Statement

The Mission of the Peekskill City School District is to educate students in a caring, inspiring environment characterized by a spirit of excellence and high expectations; prepare graduates to meet or exceed standards; graduate students who respect and appreciate cultural diversity; and prepare students to pursue adult lives as contributing citizens of our local and global community.

BOARD GOALS

A. District Aspirational Goals:

1. By the year 2020, graduation rates will increase to 100%
2. By the year 2020 all students will achieve grade level literacy by the end of grade 3.
3. Actively engage parents/guardians and the community in the education of all students.
4. Create safe, discipline, state of the art environments where everyone works to help students achieve.

B. 2015-2016 Deliverables

1. Implement District Curriculum, Instruction, and Assessment protocols.
2. Design school learning teams focused on quality academic programs, student-centered interventions, and 21st Century opportunities.
3. Utilize data to drive instruction and incorporate quality review schedules.
4. Continue to plan for transparent financial planning and cost-effective operations.

Please read through this calendar before you hang it up.

Please note that: In an effort to save resources and district funds, starting this year this calendar will not be mailed home. A paperless version of this calendar is posted on our website at www.peekskillcsd.org for parents to view and/or download. If you don't have access to a computer, you may call the Superintendent's office at 737-3300 ext. 303 and a copy will be printed for you to pick up.

Parent Portal

The Parent Portal is a link on the Peekskill City School District's Web sites that parents and guardians can follow to view their children's attendance and grades. It is very easy to use, secure and confidential. The Parent Portal helps students succeed. To get started, parents need to create an account with the District, fill out the Access Request Form and sign the Parent Portal Agreement. These forms can be downloaded from www.peakskillcsd.org, or, call your child's school and ask for a copy. You may also pick these forms up in any school's main office. You can find these forms, as well as the Parent Portal link, under "Parent Resources" on each school's website.

Return the signed forms with a copy of an official photo ID to the school. (We need this to protect your child's confidentiality). The District Technology Office will email you an access code and instructions to log on to the Parent Portal. That's it!

For questions, email parentportal@peakskillcsd.org.

Opportunities for Parent Involvement

Starting in the 2015-2016 school year, the Peekskill City School District will now have one unified Pre-K – Grade 12 Parent Teacher Organization (PTO). The PTO is an important part of school life, helping with programs and activities, enhancing positive communication between the school and parents, and organizing fundraisers and other special events. Executive PTO Officers meet the 1st Monday of the month (subject to change), and the Pre-K-12 General meetings are on the 3rd Wednesday of the month (subject to change). All parents and guardians of children who attend Peekskill schools are automatically members of the PTO. For more information, please check our website at www.peakskillcsd.org and click "PTO" under the "Parents" tab.

Executive PTO Officers:

- President: Denise Lopez
- Vice President: Margery Rossi
- Treasurer: Ha Wallace
- Secretary: Marisa O'Leary

S.E.P.T.O. is our District's special education PTO. The S.E.P.T.O. officers for 2015-2016 are: President - Ro Sibrizzi, Vice President - Rosa Rodriguez and Treasurer - Nancy Flaherty. To learn more about S.E.P.T.O., call 737-3300 ext. 327 or visit our District website at www.peakskillcsd.org and click on "SEPTO" under the "Parents" tab.

General Information

ATTENDANCE:

Students achieve better academically when they attend school every day. Parents, school staff and students all have a responsibility to contribute to a pattern of regular attendance. Unexcused absence, tardiness and early departure may affect a student's class participation grade.

For a full copy of the District's attendance policy, visit our District Website at www.peakskillcsd.org and click "Board Policies" under the Board of Education tab or contact the District Clerk at 914-737-3300 ext. 342.

RESIDENCE:

According to State Education Law, a child's legal school district residence is generally considered to be the legal residence of the parents, unless there is evidence that the parents have relinquished parental control. Questions of residence for children who do not reside with their parents, and who have not been placed in a foster home by a recognized social service agency, should be referred to the Registrar's Office. The school district will seek tuition reimbursement from families who illegally send their children to our schools. Periodic residence checks will take place during the school year.

Parents of students under the age of 18 or students 18 years or older have the right to inspect and review the education records including all materials in the student's folder.

REGISTRATION:

New registrants must contact the Registrar's Office located at Uriah Hill Elementary School at 739-0682 ext. 248 for information regarding registration of their children in Peekskill schools. A birth certificate, photo ID such as a driver's license, and proof of residence are required. A copy of medical documentation of state-required immunizations must be presented before registration can be completed.

BOARD POLICIES AND REGULATIONS:

Board policies and regulations, which are matters of public record, are available for perusal at the Administration Center, 1031 Elm Street, Peekskill. Many of the policies can also be found on our website, www.peakskillcsd.org, click Board Policies under the Board of Education tab.

PEEKSKILL EDUCATION FOUNDATION:

The Peekskill Education Foundation (PEF) is a not-for-profit, 501(c) (3), community based organization dedicated to enriching and expanding the educational experiences and opportunities of students within the Peekskill City School District. Since its founding in 2002, the PEF has raised and donated more than \$100,000 to the Peekskill City School District for a wide range of projects, including classroom and library books; new science and technology equipment; musical programs and instruments; cultural and arts programs; and innovative teacher initiated classroom projects. For more information, or to get involved, please visit the PEF's website at www.peakskilleducationfoundation.org

PARENT RESOURCE CENTER:

Located at Uriah Hill Elementary School, the Lisa Roller Parent Resource Center offers support for families whose children attend our schools from pre-kindergarten through twelfth grade. The Center provides services including but not limited to parenting workshops, and houses a parent computer with access to the internet and word processing programs. The Center is open during school hours and on specific evenings when workshops and events are scheduled. Call the Uriah Hill Elementary School at 914 739-0682 ext. 248.

SPECIAL EDUCATION:

The Special Education Department is located at the Administration Center, 1031 Elm Street. The Peekskill City School District provides a continuum of special education programs for students with a broad range of educational disabilities. Classified special education students can receive (depending on their disability) related services, Resource Room, Integrated co-teaching program, consultant teacher model, and self-contained classrooms. There are also out-of-district programs for students

who require a more restrictive environment. Related services include: speech, counseling, vision, occupational and physical therapy. For further information, please contact the Office of Special Services 737-3300 ext 326. The Committee on Pre-School Special Education (CPSE) is located at Uriah Hill Elementary School and their contact number is 914-739-0682 ext. 237.

ENRICHMENT PROGRAM

Our elementary schools Grade K through Grade 5 offer an enrichment program for ALL students one period weekly. This school-wide enrichment model offers literacy through the arts, through athletics, through clubs and through science and math. Each school has a designated weekly period where every child is given the opportunity for academic enrichment. In addition, students who are identified as academically talented and are reading above grade level participate in a four period a week enrichment program that incorporates project-based learning with content area subjects. We are committed to meeting the unique academic needs of every child.

THEATER PROGRAM

The Peekskill City School District is excited to introduce a new Theater Program which will include opportunities for elementary, middle and high school students, including a Theater Elective course at Peekskill High School. We also anticipate fall and spring performances at both PKMS and PHS.

HILLCREST COMMUNITY SCHOOL INITIATIVE (HCSI)

The Hillcrest Community School Initiative (HCSI) works in partnership with Family Ties of Westchester, the Hudson River Health Center, Andrus and Peekskill Agencies Together (PAT). The school will focus on improved literacy outcomes for all students while providing physical and mental/social health support and services. This program provides opportunities for parents and families to engage in the daily life of the school supported by parent liaisons and quality workshops. Please contact Hillcrest's Main Office at (914) 739-2284 for more information on this program.

PHS FRESHMAN ACADEMY

Freshman Academy is a new Peekskill High School program in which a team of teachers welcome incoming freshman to high school by offering the educational foundation necessary to prepare students for their future college and career ventures. For more information on this program, please visit the Peekskill High School website.

PHS SUMMIT ACADEMY

Summit Academy is a new alternative learning program for students in grades 9 through 12. The goal of Summit Academy is to help every student find a pathway to graduation from Peekskill High School and to success in life. The program provides an environment of individualized attention, differentiation, and focus on social and emotional learning to promote confidence and self-assurance. Here, young people will understand the importance of taking ownership over their education. Summit Academy is located on the ground floor of the Uriah Hill School. For more information on this program, visit: <http://www.summitacademypeekskill.com/>

HASS' WAY

Hass' Way is an out-of-school suspension program that provides tutoring and counseling to students from Peekskill Middle School and Peekskill High School. The goal of Hass' Way is to enable students to return to their regular classes having gained some additional tools for academic and social success, including a more positive attitude towards school. All Hass' Way classes are taught by certified teachers.

GED PROGRAM

Peekskill has designed a GED program which will provide eligible students opportunities to attain a high school equivalency diploma. This program may be utilized as a bridge towards graduation for our youngsters as success leads to success within. Classes will take place in the District Administration Building and follow a state regulated and aligned curriculum.

Here's What To Do "If"

- You have a problem: Call your child's principal for help.
- You want to meet with a teacher: Call your child's school to arrange a conference.
- A student becomes ill at school: He or she will be taken to the nurse's office. If it becomes necessary to send your child home because of illness, you will be notified and requested to provide transportation.
- You want homework assignments: Call your child's school and leave a message for the teacher.
- Your child is absent: Call your child's school within the first hour of the day of the child's absence. If you do not call, a member of the staff may call your home on that day. You must send a note listing the dates of absence and the reasons for the absence with your child upon return to school. The note must be received within 3 days or the absence will be considered illegal.
- Your child will be home for more than 2 weeks due to illness or injury: Send a doctor's note to the school. Arrangements will be made for a home tutor for that period of time.
- You want a message delivered: Only emergency messages may be delivered to students. In case of emergency, give the message to the building principal or school secretary and it will be transmitted to the student.
- A lunch is left home: Deliver it to the school office. Students who leave lunches at home are responsible for coming to the office to claim them.
- Your child loses something: Have the child look in the school lost and found. Call the school office. Labeling articles with your child's name can avoid confusion in identifying lost items.
- You change your address or telephone number: Please inform your school office immediately.
- You plan to move: Please give the school office the information needed to forward your child's records to the new school.

In Case of Emergency

The Peekskill City School District is committed to ensuring the safety and welfare of its students and staff. Our Emergency Management Plan has been guided by and coordinated with the Peekskill and Westchester County Emergency Management Offices, PNW BOCES and the State Education Department.

Each school has plans for emergencies and a staff team trained to assist students. Radios and walkie talkies are in place should a loss of electricity occur, and a cell phone contact list has been established. In-classroom and central location drills are held periodically. In the event that schools must be evacuated, the County Emergency Management Office and PNW BOCES will coordinate transportation efforts, and decisions as to where to transport students will be based on the actual emergency and what is the safest place for students.

In the event of an emergency in which schools are the safest place, the District is prepared to keep the children until it is safe for them to leave. Should a situation arise where it is best to close schools and send students home or to safer locations in Peekskill, the district will ensure that all children are kept safe until an approved adult arrives to pick them up.

Bus Safety Rules

Bus transportation is a privilege and can be denied based upon violation of The Code of Conduct. The following are the rules for bus safety:

- Students must obey the instructions of, and show respect for, the school bus driver and monitor.
- Bullying, physical abuse, or sexual harassment of any kind will not be tolerated on the school bus.
- Defacing or any act of vandalism on or to the school bus will not be tolerated.
- Use of drugs or alcohol while riding the school bus is prohibited.
- Smoking, eating or drinking while riding the school bus is prohibited.
- All students must remain seated while the bus is in motion.
- The use of seat belts is recommended.
- Cussing, loud or abusive language of any kind is prohibited on the school bus, and may result in suspension of bus privileges.
- Large toys, hand held electronic games or other objects (including radios and instruments) are not permitted on the school bus.
- Live animals are not permitted on the school bus.
- Students must keep their head, arms and hands inside the school bus at all times.
- Students must keep the aisle clear at all times.
- Students must be prepared to board the school bus 5 minutes prior to pick-up time.
- Repeated violations of bus rules will result in progressive student discipline consistent with school district policy and the law.

Inclement Weather Procedures

In bad weather when it seems likely that weather and street conditions will improve later in the day, opening of school will be delayed. When inclement weather is severe enough, school may close for the entire day. As soon as this decision has been made, the announcement will be carried over the radio and television stations listed below, and posted on the District website: www.peakskillcsd.org. The District will also make notification phone calls through the automated ConnectedED service.

Transportation

The Peekskill Board of Education has approved transportation for any K through Grade One student who lives between one-half mile and fifteen miles from school, and any Grade 2 through Grade 5 student who lives between one mile and fifteen miles from school. By New York State law, our Transportation Department must determine the shortest driving route from home to school using public roads. The mileage must meet the eligibility requirements. The Board acts by resolution each year to determine private and parochial school transportation for the upcoming school year. If approved, **requests for such transportation must be received in the District by April 1 in the year preceding the school year for which transportation is being requested.** Bus passes will be issued to all students eligible for transportation. Any student not in possession of a bus pass may not be allowed to board the bus. Inquiries concerning any transportation matter or problem should be directed to the Transportation Department, located at the Uriah Hill Elementary School, 980 Pemart Avenue, Peekskill, NY 10566, (914) 739-0682 ext. 248. Any questions regarding lost items left on the bus should be directed to Montauk Student Transport at 914-428-1400.

Traffic Safety

Standing or parking cars in unauthorized areas on school property are a hazard to the safety of students. We ask the cooperation of parents and visitors in helping us keep these areas and other approaches to school properly clear at all times. Please obey all traffic signs and give your fullest cooperation to the traffic officers. Illegally parked cars may be towed at owner's expense.

Graduation Requirements

Diplomas will be granted on the successful completion of the requirements of the Board of Regents, the Commissioner of Education, and the Peekskill City School District Board of Education. Graduation requirements are complex and New York State law has changed. Students and parents must consult with a guidance counselor for exact requirements.

The Board of Education understands that acquiring a high school diploma is an essential step for all adults. Therefore the Board amends the cohort policy to allow students 4 or 5 years to obtain a diploma.

In order to qualify for a Regents Diploma:

- A student must earn 22 units of credit and score 65 or above on 5 Regents exams. The credits 22 units of credit distributed as follows: 4 ELA, 4 social studies, 3 science, 3 mathematics, ½ health, 1 arts, 1 language other than English (LOTE), 2 physical education, 3 ½ electives. The assessments for 5 required Regents exams(1) with a score of 65 are as follows: 1 math, 1 science, 2 social studies, and 1 ELA. One of the Social Studies regents can be substituted for a pathway assessment. <http://www.p12.nysed.gov/part100/pages/1005.html#regentsdiploma>
- There is an appeal for one regents score with a score of 62-64. The non-regents pathway exams are not subject to appeal. <http://www.p12.nysed.gov/part100/pages/1005.html#regpasscore>

In order to qualify for a Regents Diploma with Advanced Designation:

- A student must earn 22 units of credit and score 65 on 8 regents' assessments. The traditional exam combination is ELA, Global History and Geography, US History and Government, 3 mathematics, and 2 science (1 must be life science and 1 must be physical science). A pathway assessment can be substituted for one of the social studies exams.
- In addition a student must pass either a locally developed Checkpoint B LOTE examination or complete a 5 unit sequence in the Arts or CTE. <http://www.p12.nysed.gov/part100/pages/1005.html#regentsAD>

Generally, all students must complete 4 credits of English Language Arts, 4 credits of Social Studies, 3 credits of Mathematics, 3 credits of Science, 3.5 credits in Electives, 2 credits in Physical Education, 1 credit in the Arts, and ½ credit in Health. There are exceptions to these requirements, so students and parents should be sure to consult with a guidance counselor.

In order to qualify for Regents with Advanced Designation with Honors:

- A student must earn 22 units of credit and score 65 on 8 regents' assessments. The traditional exam combination is ELA, Global History and Geography, US History and Government, 3 mathematics, and 2 science (1 must be life science and 1 must be physical science). A pathway assessment can be substituted for one of the social studies exams.
- The student must meets all assessment requirements for the Regents diploma with advanced designation (see above) with a computed average score of 90 or better (no more than 2 Department approved alternatives may be substituted and will not count in the computed average)
- Note: The locally developed Checkpoint B LOTE examination is not included in the computed average. <http://www.p12.nysed.gov/part100/pages/1005.html#diplomaHonors>

For Students entering the 9th grade in September 2008 and thereafter, all non-classified students must score a minimum of 65% on each of the five (5) required Regents Examinations in order to graduate.

School, Parents, and Students Supporting Achievement

Parents and guardians are the most important people in a child's life. Positive parental involvement is essential to student achievement.

To help children achieve, parents, students, and schools should pledge to do the following in the 2015-2016 school year:

PARENTS: We will support learning by:

- Making sure our child attends school
- Making sure that homework is done
- Limiting television
- Volunteering when possible in our child's school
- Participating in decisions regarding our child's education
- Promoting positive use of extracurricular time
- Staying informed about our child's education and communicating with the school regularly.

STUDENTS: We will improve our grades and,

- Do homework every day and ask for help when needed
- Read at least 20 minutes a day outside of school
- Give our parents all notices and information from my school every day

SCHOOLS: We will provide:

- High-quality curriculum and instruction in a supportive and effective learning environment
- Parent-teacher conferences
- Frequent reports to parents on their child's progress
- Reasonable access to staff for parents
- Opportunities for parents to volunteer and participate in their child's class and to observe classroom activities

Taking digital images or photographs on school grounds without permission of the administrator is prohibited.

Code of Conduct

In keeping with the mandates of Project SAVE legislation (Safe Schools Against Violence in Education Act), as well as the Dignity for All Students Act and federal civil rights statutes, the Board of Education has adopted a Code of Conduct. The set of expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty and integrity.

Students are expected to conduct themselves with proper regard for the rights and welfare of other students, district personnel and other members of the school and general community. Teachers are expected to maintain a climate of mutual respect and dignity, which will strengthen students' confidence to learn. Parents are expected to recognize that the education of their children is a joint responsibility along with the school community.

The full, 37-page Code of Conduct also includes sections on dress, language and behavior; procedures for detention, removal and suspensions of students; responses to violations of the Code; security and safety of students and school personnel; and referring students to juvenile delinquency proceedings and to human service agencies. A copy of the Code of Conduct may be reviewed at the District's Administration Center, at each of the schools, or on our website, www.peekskillcsd.org

No student shall be subjected to discrimination based on:

Guidelines for Visiting Our District Schools

The school district extends a warm welcome to parents, guardians and others to visit our schools and classrooms. Active involvement of families and the community in students' education is a key to student success and is one of the goals of the District's strategic plan.

To keep students and staff safe and secure and to keep classroom disruptions to a minimum, the District has developed the following guidelines for school visits:

1. Anyone who is not a regular staff member or student of the school will be considered a visitor.
2. All visitors to the school must report to the visitor reception area or office of the principal upon arrival at the school. There they will be required to sign the visitor's register and will be issued a visitor's identification badge, which must be worn at all times while in the school or on school grounds. The visitor must return the identification badge to the issuing office before leaving the building.
3. Persons who desire to visit a school building shall do so only with the permission of an appropriate administrative staff member.
4. Visitors attending school functions that are open to the public, such as parent- teacher organization meetings or public gatherings are not required to register.
5. Parents or citizens who wish to observe a classroom while school is in session are required to arrange such visits in advance with the appropriate building administrator, so that class disruption is kept to a minimum.
6. Teachers are expected not to take class time to discuss individual matters with visitors.
7. Any unauthorized person on school property will be reported to the principal or designee by any staff member. Unauthorized persons will be asked to leave. The police may be called if the situation warrants.
6. All visitors are expected to abide by the rules for public conduct on school property contained in this Code of Conduct.

Please know that it is the goal of the district to create a safe, secure and positive learning environment for all its students and their families.

Promoting Wellness Throughout Our District

Our District is committed to providing a school environment that promotes and protects children's health, well-being and the ability to learn by supporting healthy eating and physical activity. Our Wellness Policy, adopted by the Board of Education on Aug. 1, 2006, is intended to enhance the learning and development of lifelong wellness practices. Following are some of its goals:

- School programs will ensure that students in Pre-Kindergarten through Grade 12 receive nutrition education that provides the knowledge they need to adopt healthy lifestyles. These concepts will be reinforced by all school personnel, and will be integrated into all subject areas.
- Nutrition education will include reinforcement of the importance of physical activity and the health risks associated with a sedentary lifestyle. The District will identify and implement specific programs for students at risk.
- The District will provide educational information and encourage healthy eating and physical activity for families, both within the home and outside the home.
- Schools will encourage parents to support their children's lifelong participation in physical activity, to be physically active role models, and to include physical activity in family events.

Students' lifelong eating habits are greatly influenced by the types of foods and beverages available in their daily environment. The Peekskill City School District establishes the following program requirements and nutrition standards to address all foods and beverages sold or served to students:

- All grain products served will be that of a whole grain variety.
- All efforts will be made to select equivalent food items that are lower in sodium and sugar content.
- All portion sizes will be provided in compliance with the USDA requirements for both school lunch items, and a la carte items.
- Fundraisers undertaken will adhere to the USDA Dietary Guidelines.

Family University Series

The Family University Series offers Adult Education programs with courses on developing computer skills; learning English or Spanish as a second language; parenting skills; communication skills; and promoting non-violent solutions to conflict. Workshops on health are offered in conjunction with the Hudson River Healthcare Center and other agencies. To register, please call 914-739-0682 Ext. 248.

Classes are free and open to parents of Peekskill City School District. They are held in the evening and on Saturday mornings. Most are held at Peekskill Middle School. The Family University is grant funded.

Brochures that list the dates and times can be found at district schools, the Administration Center and the Field Library.

Breakfast and Lunch Programs

Breakfast and lunch are offered every school day in all of our school buildings. Students may choose to bring a complete lunch from home, including beverages in plastic containers or cans; glass bottles are not permitted. Students may choose to purchase milk to supplement their lunch or may purchase an entire meal from the District's food service program. Each month, menus are available to be sent home with the students, check website. The District has implemented the use of MYSCHOOLBUCKS.com to allow parents to make payments online. You may visit our District and school websites for access to My School Bucks.

Free and Reduced Price Breakfast/Lunch Program

The Peekskill School District participates in the federal free and reduced price lunch program. State guidelines and application forms are sent home through the schools to all children in September (also on our website). It is important that every family return this form regardless of income. In some instances, families that exceed the income limit, but have a financial hardship may be eligible for free or reduced price breakfast and lunch. If your child receives free or reduced price lunch, he or she will be treated the same as all other children and will not be identified when getting their food.

**Family Education Rights and Privacy Act (FERPA)
NOTIFICATION OF RIGHTS UNDER FERPA
FOR ELEMENTARY AND SECONDARY INSTITUTIONS**

The Family Education Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to student's education records. They are:

(1) The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the school district to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their rights to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. (NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.)

(4) The right not to have Directory Information disclosed without prior written consent. This school district designates the following items as Directory Information, and may disclose any of these items without prior written consent, unless the school principal is notified to the contrary, in writing, by the parent/guardian or eligible student by September 30, 2015.

- name
- address, telephone listing (disclosed only to parent-teacher organizations, other organizations with an official relationship with the school district whose primary purpose is to benefit the school district and government agencies)
- participated in officially-recognized school activities or sports,
- weight and height of members of an athletic team,
- school of attendance and degrees/awards received,
- most recent/previous school attended,
- photographs for use by the District and media.

(5) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Support Services

STUDENT RECORDS ACCESS

Parents of students under the age of 18, or students 18 years or older have the right to inspect and review the education records, including all materials in the students' folder.

HOME AND INSTRUCTION

Students who are homebound due to temporary disabilities are eligible to receive home instruction. Home instruction for elementary grade students is one hour per school day and two hours per school day for secondary students. A parent or guardian must notify the Assistant Superintendent for Secondary/Elementary Education in writing, if a student requires home instruction. An application form must be completed, and a parent or guardian must be present during the instruction.

SECTION 504 REHABILITATION ACT

Section 504 under the Federal Civil rights statute ensures that any individual with a disability cannot be discriminated against. The individual must have a documented disability. Students in the general education population may be found eligible for accommodations under Section 504 if their activities of daily living are limited by their disability. Requests can be made to the District Compliance Officer: Joyce Long, Director of Special Services, 914-737-3300 ext. 327, 1031 Elm Street, Peekskill, NY, 10566.

INSTRUCTIONAL SUPPORT TEAMS

Instructional Support Teams are located in each school. The team consists of the School Psychologist, Guidance Counselor, Social Worker, Nurse, and Administrative and Teaching Staff representatives. The team is available for Committee on Special Education evaluations, crisis intervention, and consultation with parents.

MEDICATION

Medicine can only be given with a written physician's order, which includes the patient's name, medication name, dose, and the time to be administered. The parent must also sign a written request for the medicine to be administered in the pharmacy labeled container. This includes over the counter medication.
